Please describe below the Practice's plans to meet the requirements of the Choice and Booking DES from 1<sup>st</sup> April 2006 to 31<sup>st</sup> March 2007 as per the specific questions.

**1. Please describe the process by which patients will be offered choice in your Practice (specifically we are interested in when and with whom the patient's conversation about choice will be held).**

**2. Is there any particular support that you need from the PCT (that you are not already getting / expecting) to support Choice and Booking?**

**3. If you are not aspiring to provide both elements (Choice and Booking) please note below how you would envisage / like to see these services offered to your patients.**

**Attached:**

“Specification for a directed enhanced service in England: choice and booking” (taken verbatim from Annex 5 to “Revisions to the GMS contract, 2006/07”).
