These workshops will be hosted by Consultant Paediatricians at the Royal Devon and Exeter Foundation Trust. They are designed for interested General Practitioners based on the feedback and request from 70 local GP's who attended last year's Paediatric Urgent Care Study Day. It is intended that further workshops will be available on other paediatric topics in 2011.

The aim of each workshop is to cover:

- Diagnosis and management of paediatric conditions
- Shared pathways between primary and secondary care.
- Learning from clinical cases

If any attendee would like to make suggestions of specific topic areas or bring along cases please contact Dr Karen Street, Consultant Paediatrician, [Karen.street@rdefn.nhs.uk](mailto:Karen.street@rdefn.nhs.uk).

Numbers will be limited to 25 attendees and allocated on a first come first serve basis. Please complete and return the attached application form.
