

To lead, represent, inform and support General Practice

LMC job vacancies

Director of Operations vacancy

A rare and exciting opportunity has arisen to join the executive team at Devon Local Medical Committee (LMC).

We lead, support and represent general practice in the county. There's never a dull day, with the profession facing many challenges and opportunities as local healthcare is reshaped.

We are looking for an exceptional candidate with strong influencing, negotiating and communication skills who is robust and embraces change. You'll lead a small professional and fun team, in a lovely office in the countryside near Exeter.

You'll regularly be visiting GP practices and stakeholders across the county so a driving licence is essential.

In return, you'll receive an excellent package with a salary of £70,000+ pro rata, generous annual leave entitlement and the option to join a company pension scheme.

More information about the role is available here: [Director of Operations at Devon Local Medical Committee - job description](#)

Applications are via CV and covering letter and should be emailed to angela.edmunds@devonlmc.org The closing date is 23 March, 2018. Interviews will take place on 11 April, 2018. For an informal discussion about the position, contact Angela Edmunds on 01392 834020 or email bruce.hughes@nhs.net
